ABOUT

Why Choose Our Bags

Creating a paper bag might seem simple—all it takes is paper, a cord, and some glue. But we go beyond the basics. We understand that achieving customer satisfaction requires attention to every production stage, from design to the final product.

Our team works closely with you to deliver tailored solutions that match your needs and budget. We offer guidance on paper types, surface quality, and accessories to ensure the best results. Our graphic designers refine the technical details, making the design production-ready. bag that seamlessly combines elegance, functionality, and precision craftsmanship.

Your Vision, Our Mission

We are experienced in providing high-quality retail packaging solutions. Our offerings include a wide range of retail and promotional products, such as paper bags, polyethylene carrier bags, boxes, gift packaging, and promotional items. With expertise in packaging, intelligent production, and responsibility, we deliver solutions tailored to your needs.

ABOUT

Made from 100% Recycled Materials and 60% Post-Consumer Waste

Many packaging brands claim to be "100% recycled," but they often include only a fraction of post-consumer recycled material. Serona Packs uses 60% post-consumer waste and fully recycled materials to create strong, clean, and durable paper bags that match the quality of virgin materials.

The Eco-Friendly Choice

Serona Packs bags reduce environmental impact with a carbon footprint over 65% lower than virgin materials. Our eco-conscious design ensures sustainability without compromising quality.

Encouraging Sustainable Packaging Solutions

Our recycled, recyclable, and biodegradable products help eliminate single-use plastics, speeding up the shift to eco-friendly alternatives. Achieve your sustainability goals faster with our innovative packaging solutions.
